Classic Marble Company (CMC) has introduced a new collection – The Terrain – of the limited edition, 9th Avenue range, in luxury stones. The Terrain is a range of six extraordinary landscape designs found in nature: Thunder Gold, Turtle Shell, Fusion Wov, Fusion Elegance, Diaspro and Fusion Classico. Each stone is rare and exhibits nature’s enigmatic designs to embellish modern living spaces. The marble products introduced under the collection undergoes CMC’s signature ‘Process 360’ for enhanced strength, durability and beauty. Each slab is a unique design that captures mother nature’s varied terrains, from mountains to the seas.
